Firmenprofil

Herbert Richter GmbH & Co. KG ist ein angesehener Pionier und Hersteller von hochwertigem Autozubehör, Aufbewahrungs- und Befestigungs-Systemen aus Kunststoff.

Das Unternehmen wurde 1956 von Herbert Richter in Pforzheim gegründet und wird heute von seinem Sohn Harald Richter in der Position des geschäftsführenden Gesellschafters geleitet. Die Firma Herbert Richter befindet sich in Privatbesitz.

Seit mehr als 55 Jahren entwickeln und produzieren wir erstklassige Produkte „Made in Germany“. Als angesehener Pionier besitzen wir zahlreiche nationale und internationale Patente und Designschutzrechte.

Unsere technisch ausgereifte Design- und Fertigungseinrichtung befindet sich in Süddeutschland, dem Zentrum der deutschen Automobilindustrie. Unsere hochqualifizierten Designer und Ingenieure verfügen über umfangreiche Erfahrungen in Bezug auf Formgebung, Funktionalität und Qualität.

Herbert Richter hat sich zum Spezialisten für Befestigungs- und Halterungssysteme entwickelt. Unsere Qualitäts-Produkte können mühelos in jedem Fahrzeug, am Motorrad und Fahrrad befestigt werden.

Wir bieten unsere Produkte unter der Marke HR® und den Premium-Retail-Marken HR-iMOTION® und iGRIP® an. Zu unseren nationalen und internationalen Partnern zählen namhafte OEM-, Distributions- und Einzelhandelsunternehmen.

Im engen Kontakt mit unseren Kunden entwickeln wir ständig neue Designs und Produkte, um den Ansprüchen des Markts gerecht zu werden.

Unsere Produkte werden nach der Verordnung (EC) REACH und der Richtlinie (EC) RoHS hergestellt und durchlaufen intensive Tests nach den Anforderungen der „Elektronik- und Automobil-Industrie“.

Profitieren Sie von unseren Stärken:

- **Effiziente Produktion und schnelle Auftragsabwicklung**

Das 40.000 m² umfassende Fertigungs- und Logistikzentrum mit über 80 Spritzgussmaschinen ermöglicht eine effiziente Produktion und schnelle Auftragsabwicklung

- **Flexibilität**

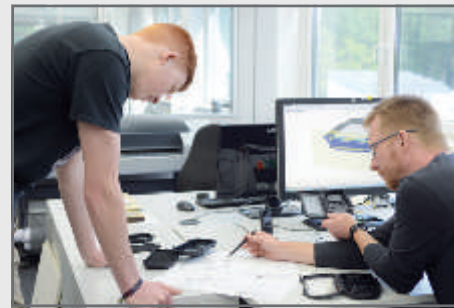

Wir sind nahezu unabhängig von Fremdherstellern. Alle Produkte werden am Standort Pforzheim entwickelt

- **Termingerechte Lieferungen**

Unsere Mitarbeiter in der Produktion, Montage und Logistik garantieren eine termingerechte Lieferung

- **Schneller Informationsaustausch**

Modernste Kommunikations- und EDV-Netzwerke ermöglichen einen schnellen Informationsaustausch mit unseren Kunden und Lieferanten

Company Profile

Herbert Richter GmbH & Co. KG is a well-respected pioneer and manufacturer of high quality plastic car accessory, storage and mounting systems.

The company was founded by Herbert Richter in Pforzheim in 1956 and his son Harald Richter is now the managing partner. The company Herbert Richter is privately held.

We've been developing and manufacturing premium products "Made in Germany" for more than 55 years. As a well-respected pioneer in the industry we own numerous national and international patent and design rights.

Our sophisticated design and production facility is in the heart of the German automobile industry in southern Germany. Our highly skilled designers and engineers offer extensive experience related to design, functionality and quality.

Herbert Richter has evolved into an expert for mounting systems. Our high-quality products can be easily fixed in any vehicle, on any motorbike or bicycle.

We offer our products under the premium brand HR® and the Premium Retail Brand HR-iMOTION® and iGRIP®.

There are well-known OEM, distribution and retail companies, among our national and international partners.

We are in very close contact with our customers and continuously develop new designs and products in order to meet the standards of the market.

Our products are being manufactured according to the regulation (EC) REACH and the guideline (EC) RoHS and regularly conduct intensive tests according to the Electronic and Automobile Industry guidelines and specifications.

Benefit from our strength:

- **Efficient Manufacturing and Fast Order Processing**

The production and logistic facilities with 40.000 square meters with more than 80 injection molding machines allow efficient manufacturing and fast order processing

- **Flexibility**

Products are designed and manufactured in house, so we do not depend on any 3rd party manufacturers

- **Just-in-time Delivery**

Our employees in our production, assembly and logistic departments ensure "just-in-time" deliveries worldwide

- **Fast communication**

Our state-of-the-art communication and computer equipment ensure fast communication with our customers and suppliers
